Pastor's Corner

Dear Brothers and Sisters,

A happy and joy-filled New Year to you and your families! May God abundantly bless you in 2024!

Each New Year, the Church begins with the celebration of Mary, Mother of God. The Church offers us this solemnity as a means to unite us more closely to the mother of the Incarnate Christ, the one who brings us to the bosom of her beloved Son.

This year, it is not a Holy Day of Obligation. Mass at Church of the Ascension will be at 10:00 a.m. on January 1. We look forward to seeing you there!

Only a mother could begin to understand the great mystery and beauty of motherhood. But only one mother could begin to understand the unfathomable beauty of being the mother of the Son of God. After the birth of Jesus, the shepherds came to adore her Child and recounted how a multitude of heavenly hosts appeared to them, revealing that Mary's Child was the Messiah.

As Mary heard those words, she pondered them, reflected upon them, and kept them in her heart. This was but the first time we are told of Mary's pondering heart after the birth of her Son, but we can be certain that she pondered Him over and over, entering ever more deeply into the mystery of her motherhood of the Son of God.

As the Mother of God, Mary's prayerful pondering was beyond our comprehension. The bond she shared with her divine Son far surpassed a mere human bond. Jesus was not only her Son, He was also her Savior. Therefore, she adored Him as a mother loves her child, but also as a servant worships her God. The relationship between this unique mother and Son is infinitely awe-inspiring.

Our Blessed Mother is given the unique title of "Mother of God" first and foremost to express our faith in the divinity of Jesus. Jesus was both human and divine, but in Him these two natures were perfectly united. Therefore, one cannot say that Mary was only the mother of the humanity of Jesus, she was the mother of the Person. And that one Person was, at the same time, God and man.

Recall that once Jesus began His public ministry and was teaching, there was a woman in the crowd who cried out, "Blessed is the womb that carried you and the breasts at which you nursed." Jesus corrected her by saying, "Rather, blessed are those who hear the word of God and observe it" (Luke 11:27). At first read, one could conclude that Jesus was downplaying the role of His own mother, but He was actually doing the opposite. Jesus was actually highlighting the most unifying aspect of His relationship with His mother. Mary was not His mother only in a biological sense. She wasn't blessed only because she bore Him in her womb. Rather, her deepest union with her divine Son came from her spiritual union with His will and that of the Father in Heaven. She said, "Behold, I am the handmaid of the Lord. May it be done to me according to your word" (Luke 1:38). She heard the word of God and observed it perfectly. She did that at the Annunciation, she continued to do so as she raised her Child, and she did it most perfectly as she stood before the Cross, offering her dying Son to the Father for the salvation of the world. Mary's motherhood was one that encompassed her whole being. It was one that united her to her Son in ways we will never fully comprehend.

Mary is the Mother of God and, therefore, is the mother of all of God's children, including you. Honor and love your heavenly mother today and rejoice as you reflect upon this glorious queen and holy mother. As we celebrate this greatest saint in the history of the world, ponder the ponderer. Ponder her love for her Son. Ponder her obedience to His divine will. Ponder Him as her Savior. Ponder every human and divine aspect of their loving relationship.

God bless,

Fr. Smith

JOIN NEEDS YOUR HELP!

JOIN (Joint Organization for Inner-City Needs) is often a "stop-gap" for our brothers and sisters who are doing their best to provide and succeed in life. We all come upon unexpected obstacles. For our neighbors who live paycheck-to-paycheck, that can be something as simple as missing work due to illness or something bigger, like a car repair. Basic supplies like toilet paper, soap, shampoo, conditioner, multi-purpose cleaning solutions, dish soap and laundry soap are items that people request at JOIN daily. Kelsey is a mom that came to JOIN to get assistance with bus passes for a new job she had. When she learned that we also had cleaning supplies and personal care items, especially toilet paper, she was overwhelmed that she could get those items as well. Meeting these most basic needs, when you don't have them, is a relief that is not measurable to a parent. Try to imagine running out of something, with no hope of getting it yourself for another week or so.

If you would like to organize a collection or even donate an item or two on your own, it would be a gift to the neighbors we serve at JOIN. Feel free to contact Lisa Keita at 614-241-2530 or lkeita@columbuscatholic.org to get further information or just discuss what all JOIN does provide.

START THE NEW YEAR RIGHT!

CONSECRATION TO THE HOLY FAMILY

The Sunday after Christmas is the Feast of the Holy Family and Father Smith, Father Jesse and the Knights encourage each family to invite the Holy Family into our lives to establish or strengthen the Domestic Church, our homes.

The decision to consecrate your family needs to be intentional and a process through which you completely surrender to God through the Holy Family. You are accepting the truth that salvation history was changed forever by a family, and that through your domestic church, you are called to live their example.

For the Feast of the Holy Family this weekend, the Knights of Columbus invite **all families** in the parish to consecrate their family to the Holy Family. The consecration will be here at the church at 10:30 a.m. on Sunday, December 31. Families that want to participate are invited to Ascension Hall beginning at 9:30 a.m. for bagels, coffee, and social time with other families before the consecration.

FAMILY FULLY ALIVE:

The Knights of Columbus encourage each family to strengthen the Domestic Church by inviting God into our homes in the coming year. The Family Fully Alive program provides guidance on ways to establish and strengthen your Domestic Church in the form of themes, Scripture verses and activities. This is not simply a booklet and you are on your own, but a continuous program that will take feedback, offer support, and grow with our parishioners throughout the year and beyond.

To begin this program with your family, please pick up a booklet in the Gathering Space. If you have any questions, please contact Gus Smithhisler at 614-530-0160 and watch for additional opportunities and programs in the coming months.

THE GIFT OF FAMILY

Reflection on Luke 2:22-40

While the pandemic brought so much tragedy to our lives, it brought some blessings as well. For many, the pandemic compelled us to a renewed, even if forced, encounter with the sacred space of home and family. Today's feast of the Holy Family stands for us as an invitation to embrace this sure and central blessing from God – the gift of family.

Take these readings home with you! Have an intentional conversation, a family reflection time, considering how you can put into practice what St. Paul recommends: "Put on... heartfelt compassion, kindness, humility, gentleness, and patience, bearing with one another and forgiving one another." Consider also the example of Jesus, Mary and Joseph: how your unique family expressions and celebrations of faith, hope and love can reach beyond the walls of your home to touch the hearts and lives of other families.

SAINT BASIL THE GREAT

Feast Day: January 2

Patron Saint of: Russia

Basil was on his way to becoming a famous teacher when he decided to begin a religious life of Gospel poverty. After studying various modes of religious life, he founded what was probably the first monastery in Asia Minor. He is to monks of the East what Saint Benedict is to the West, and Basil's principles influence Eastern monasticism today.

He was ordained a priest, assisted the archbishop of Caesarea – now southeastern Turkey – and ultimately became archbishop himself, in spite of opposition from some of the bishops under him, probably because they foresaw coming reforms.

Arianism, one of the most damaging heresies in the history of the Church, which denied the divinity of Christ, was at its height. Emperor Valens persecuted orthodox believers, and put great pressure on Basil to remain silent and admit the heretics to Communion. Basil remained firm, and Valens backed down. He strove mightily to unite and rally his fellow Catholics who were crushed by tyranny and torn by internal dissension.

Basil was tireless in pastoral care. He preached twice a day to huge crowds, built a hospital that was called a wonder of the world – as a youth he had organized famine relief and worked in a soup kitchen himself – and fought the prostitution business.

Basil was best known as an orator. Though not recognized greatly in his lifetime, his writings rightly place him among the great teachers of the Church. Seventy-two years after his death, the Council of Chalcedon described him as "the great Basil, minister of grace who has expounded the truth to the whole earth."
